

Basic Scarf Pattern

Materials Needed:

- 1 - 2 skeins worsted weight yarn (depending on size scarf)
- Crochet Hook - Size I or J

Pattern: Chain 20 (this is for adult men's or women's scarf)

To make child's or teens scarf: Start with foundation chain of 12, 14 or 16 which would make first row 10, 12, or 14 DC across. Crochet in pattern for 36-50 rows.

Double Crochet (DC) in fourth chain from hook. DC in each chain across to end. (You should have 18 DC)

Turn and chain 2 (or 3 depending on your usual style) - this counts as the first double crochet now and throughout. DC to end of row - again this will be 18 DC. Continue scarf in this pattern until length desired - usually 70-80 rows is sufficient for an adult scarf. Tie off and weave in ends.

You can add fringe if desired although fringe is generally not recommended on larger and/or men's scarves.
